

TechSETS is pleased to provide these updated reminders for important dates in **January**.

California School Technology Survey: The annual California School Technology Survey (CSTS) is scheduled to be posted by mid-January and is due by mid-March. Each district and school site is required to complete the survey in order to maintain eligibility for state and federal technology funding. The California Department of Education sends PIN and Password information to district and site administrators in late December or early January. Directions and additional information for the 2009 survey will be posted on the CDE website: <http://www.cde.ca.gov/ls/et/rs/techsurvey.asp>.
